

Richmond Events Conference – Aurora, November 2007

“It’s People Not Places”, Nick Cook, Haywards

Nick Cook, Haywards, was a guest speaker on the importance of workplace strategies and how a proper workplace strategy can make companies more profitable, at the Richmond Events conference on the Aurora in November 2007.

Haywards presentation, *It’s People Not Places*, was an in-depth analysis and case study on how innovative workplace strategies can produce results felt positively on a company’s bottom line.

If you would like to discuss how a workplace strategy could be developed to suit your business needs, then please contact Nick Cook on 01494 488 493.
